The Teksmart Poster Display lets you do things your way. You choose the size, you choose the location and then you get creative...

Show images, poster-style ads, graphics and video all in high definition. Our Poster Display unit will help you promote, sell, educate and entertain. Available in a wide range of sizes: 19", 22", 27", 32", 43", 49", 55", 65", 75" and 84". Each display has in-built speakers and comes with a lockable slim-line wall mount bracket for quick, simple, secure installation.

Features:

- Highly configurable 'built to order' hardware
- Built for 24/7 commercial use and designed for public spaces
- High definition screen with a wide viewing angle
- Tablet styling and super slim profile
- Integrated premium quality speakers
- Comes complete with wall-mount bracket

Configure:

To ensure that our products meet your exact requirements, we offer highly-customisable solutions. First pick your perfect size, and then configure your display based on the following options:

1. Screen Orientation: Portrait or Landscape?

Choose from either portrait or landscape screen orientation.

**2. Integrated Media Player: What Specification?**

Choose from the following options:

- Entry-Level Android OS Media Player
- Enterprise-Level Windows OS (i3 PC) Media Player
- Premium-Level Windows OS (i5 PC) Media Player

... Or even opt for no media player (if you plan to connect to an external source).

3. Touchscreen Functionality: Yes or No?

You can decide whether you want your display to have an integrated touch-screen or not.
